## MUSIC IS EVERYWHERE!

AN EXPERIENCE IN BODY PERCUSSION, CHANTS AND IMPROVISATION

September 17, 2022 \* 9:00 am - 1:00 pm

Music lives inside everyone in diverse ways. It causes us to feel more connected to others if we allow it. Tapping into our own creativity is vital to a more fulfilling life. This session uses chants, movement, body percussion, found sounds and Otto's popular "Daily Ditties" to help spark creativity and connection.
